April 3-5, 2024
Nampa Civic Center
Dear Advisors,

Congratulations! Your chapter members have worked hard this year to attend the 2024 SkillsUSA Idaho State Leadership & Skills Conference (SLSC). On behalf of our state association and board of directors, thank you for your continued work and dedication as an advisor to ensure our members develop around the SkillsUSA mission of empowering students to become skilled professionals, career-ready leaders and responsible community members. We improve the quality of our nation’s workforce through the development of SkillsUSA Framework skills that include Personal, Workplace and Technical Skills grounded in academics.

On April 3rd-5th we will enjoy an incredible and empowering week full of exciting competitions, general sessions, networking connections, and more. The conference offers an opportunity for every student and teacher attending — supported by our business and industry partners — to ensure America has a future skilled workforce. Competitors in the SkillsUSA Idaho Championships will represent our state as the best of the best in their respective skill areas and all attendees will be able to interact with the industry professionals who represent the careers your students are preparing to enter.

We know you and your students will make us proud with your professionalism to help ensure this year’s SLSC is the best yet! This SLSC guide outlines the upcoming conference including schedules, program overviews and how to prepare yourself and your students. Please review this document carefully and reach out with any questions. We look forward to seeing you in the Treasure Valley for the 2024 SLSC!

Sincerely,

Chelsie Wilson

Registration Opens: February 1, 2024

Registration Closes: March 1, 2024
The SLSC Registration Deadline is March 1, 2024. Idaho’s registration deadline is 1 week prior in order to allow enough time to double-check registrations, make adjustments, and to ensure all attendees have registered before the national deadline.

Registration Fee: SLSC - $55 per person
The conference registration fee applies to SkillsUSA members and advisors, and includes the following:
- Powerful general sessions
- Conference workshops
- Conference pin
- Conference t-shirt
- Lunch during Skilled & Technical Contests on Thursday, April 4th

**NOTE: In order to register for SLSC, student and instructor attendees are REQUIRED to be registered as SkillsUSA members. If students are not registered members, they advisors will be unable to add to the chapter’s SLSC registration.**

The national membership registration deadline is March 1, this is the same date as the SLSC registration close.

Registration Payment
SLSC registration invoices can be paid via check or credit card (additional fees apply). Purchase orders will not be accepted.
If sending a check, please include a copy of your registration invoice with the check. Payments can be mailed to:

Registration Information
Advisor Registration Instructions

Register contestants, student participants, parents or anyone requiring a badge for entry to the general sessions including the Opening and Awards sessions, access to the SkillsUSA Conference floor, and educational workshops.

Log-on to the Conference Registration site using your advisor log-on credentials to register attendees for the State Leadership and Skills Conference (SLSC): www.skillsusa-register.org/Login.aspx. Only the advisor or school personnel should be registering attendees. Below is a short description of the registrant types.

Registrant Types

● **Contestants:** All students competing in a career competition should register in this category. This includes interview contestants for American Spirit, Chapter Display, Promotional Bulletin Board, Occupational Health and Safety and Outstanding Chapter

● **State Officers:** Students that are currently serving as a SkillsUSA Idaho State Officer are not charged a fee for attending SLSC. If a State Officer wishes to compete, they must be registered under this designation

● **Advisors:** SkillsUSA advisors or educators attending conference.
  ○ National Education Team and Courtesy Corp Volunteers: Register on the volunteer site. An invitation with the link will be sent by the national Championships team. Do not register as an advisor or a student on the site that paid participants register on.

● **Observer:** Chaperones, family members and other attendee not listed above who wishes to attend the conference.

Steps to Register for Conference

Contestants must be submitted, registered SkillsUSA members by the national deadline of March 1 to compete at SLSC.

● Log on to the registration site and click the tab Conference>My Registrations.

● Select the event State Leadership and Skills Conference in the filter event drop-down menu.

● Participants previously registered for past conferences: Click the button Look Up Previous Regs at the bottom of the screen to locate registrations from a previous conference and quickly register for SLSC. NOTE: This feature will only work if membership for your attendees has been fully submitted.

● Click the Add Registrant button at the top of the screen to manually register new attendees. Follow the prompts. Be sure to select registered members from the drop-down name list. Only manually type names of attendees who are not members at the school.
In individual registration records:

- In order to add tickets for the Champions Night at Wahooz, you will need to add this on to your registration. In the Optional Fees section of each individual registration record click the button Add to display a list of possible options. Select the quantity and click Save.
- Conference Registration Liability and Release Form section for instructions on how to display and print the Code of Conduct Agreement.
- Once names are added and individual registration records are completed click the Submit Registration button to validate your registration information and to issue an invoice.

Conference Registration Liability and Release Form

Once the name is registered; click the FORM link that is displayed to the left of the name and ensure all fields are completed. It is critical to provide accurate birth dates for contestants, onsite emergency contacts for all participants, and complete the Americans with Disability Act and food allergies sections if applicable. We recommend you print the Conference Registration Form and have the participant verify the information is accurate.

- A blank Registration, Liability and Release Form can be printed ahead of time and given to the participant to fill out or have a parent sign. Click the tab Conference > Conference Liability and Release Form. The form should then be returned to the advisor or designated school person to enter the data on the website as mentioned above.
- Email Addresses: You must provide a working and active email address for contestants. If your school has strict restrictions regarding emails from outside sources, it may be beneficial to provide a student’s personal email address. This email address is where all of the online testing information will be sent.
- Emergency contact information is required for all participants.

Name Badges

- **Name badges must be worn to be admitted to all SLSC functions.** Please remind your students to remember to have their badge before leaving the hotel to avoid a return trip back to the hotel.
- Name badges will have information on two sides.
  - The participant’s name, chapter, and registration type will be printed on the front
  - Students that are competing will have their Competitor ID number on the back. When participating in their competition, only display the Competitor ID number.

SLSC Career Fair

Friday, April 5
7:00 a.m. – 12:30 p.m.
Nampa Civic Center

The SkillsUSA Idaho SLSC showcases the latest technology and its application by our students, teachers, and experts. At the SLSC Career Fair, students are able to connect and forge relationships with various Industry experts at the local, regional, state, and national levels.

In addition to industry connections, representatives from Idaho’s College/Postsecondary institutions and Military branches will be available for students to explore a variety of future career paths.

Students are encouraged to bring copies of their resumes, and to dress for success!

Plan to ask questions, meet recruiters, and learn about a variety of career fields available right here in Idaho!

State Officer Election Process

The SkillsUSA Idaho state officer election process facilitates the election of high school and college/postsecondary representatives to serve as student leaders for SkillsUSA Idaho.

Candidates engage in selection interview rounds that may occur individually or in groups. In all rounds, candidates apply their knowledge and skills applicable to the responsibilities of a state officer.

The State Officer Election Process will be held throughout the SLSC registration period as well as during the SLSC. Applications for State Officer Candidates is due by March 8th at 11:59 p.m. MST.

State Officer Candidates will be required to complete an interview prior to SLSC held on April 1st.

Please see the 2024-25 State Officer Program Guide for further details and to access the application.
The SkillsUSA Championships program assesses and recognizes career and technical education students. It engages students by testing their skills against standards for entry-level workers in the skilled trades through authentic skill demonstrations. Students are evaluated by expert representatives of business, industry and organized labor. The SkillsUSA Championships program connects and showcases the work done by students at the local level to the state level.

**Competition Updates**

All competition updates will be posted on the national SkillsUSA Idaho website to provide members with the latest information about competitions, tools & personal protective equipment requirements, contest clarifications, professional development test study guides, and more.

A competition update covers anything that is not listed in the official SkillsUSA Championships Technical Standards and that a competitor and/or advisor needs to be aware of and bring and/or complete for the state competition. [Competition Updates]

**Request for Accommodation**

SkillsUSA is committed to providing equal access during our state conference. Please be sure to annotate your request for accommodation while registering for SLSC. Accommodations can also be requested by reaching out to the SkillsUSA CTSO Manager, Andrew Armstrong, via email at andrew.armstrong@cte.idaho.gov or phone at (208) 429-5529. Our staff will review each request and contact the requestor if additional information is needed to provide services. Please submit all requests by March 1, 2024.

Requests for Accommodation should be made for participants who:

- Require the assistance of another person at the orientation meeting and/or during the competition.
- Have a disability that may require adaptations or accommodations
- Have hearing impairment and will need the support of a sign language specialist for the contest orientation, beginning of the contest and/or the debriefing. If a signer is needed for longer intervals or for the whole day, SkillsUSA Idaho staff will work with advisors and schools on an individual basis
- Have food allergies, diabetes or other health concerns or conditions
- Use a wheelchair, walker or crutches

**Awards and NLSC Qualifiers**

Gold, silver, and bronze medallions will be awarded to the top scorers in each contest. Gold medalists will be qualified to compete at the 2024 National Leadership and Skills Conference in Atlanta, Georgia.

Prizes may be awarded to gold, silver, and bronze medalists. Please note: It is possible that prizes will not be awarded in every contest. While each contest chair is asked to source prizes for medalists, it is not always possible to obtain. Please do not use prizes as the primary reason for competing in the SkillsUSA Championships.
Online Testing – Technical Assessments & SkillsUSA Professional Development Testing

Technical Assessment & SkillsUSA Professional Development testing will be conducted pre-conference via the SkillsUSA Online Testing Platform provided by the SkillsUSA National Office.

Along with the Competition assessment, students will see a SkillsUSA Professional Development Test. In order to best prepare students for the expectations of the National conference, **Both the Technical Assessment AND SkillsUSA Professional Development tests will be REQUIRED.**

Offering this as a pre-conference test alleviates test administration duties from contest chairs while also providing student competitors the opportunity to take the test at a time and location that is most productive for them.

Competitors registered to compete will receive testing credential information on how to access their exam(s) on or before **March 18.** Registered competitors will receive an email to the **email address affiliated with SLSC conference registration** with their assigned username, password and login URL. In addition to this information being emailed directly to competitors, user credentials for all registered competitors will be emailed to each student’s Advisor.

The SkillsUSA Customer Care Team can assist Advisors and students with gaining access to testing accounts. The Customer Care Team can be contacted by email at customercare@skillsusa.org or by phone at (844) 875-4557.

Please encourage your competitors to take this assessment, as it is worth **2.5% of their total overall score.**

**All online testing must be completed by 5 p.m. MST on Friday, March 24 to be scored.** Failure to complete the test by this deadline will result in a score of zero for that portion of the competition scorecard.

A study guide for the Professional Development Test is available here: [SKILLSUSA PD TEST STUDY GUIDE](#).

SLSC Hotel Block – Discount Room Rate

The Best Western Peppertree shares a parking lot with the Nampa Civic Center. SkillsUSA Idaho has a room block available on a first-come, first-served basis for SLSC attendees.

In order to take advantage of this special rate, and book your rooms, please review the information below and click the reservation link to book your room.

NOTE: It is not a requirement for chapters to stay at the Best Western Peppertree in Nampa. Chapters are able to secure hotel rooms where it is most convenient for transportation and logistics for SLSC.

HOW TO BOOK ROOMS UNDER THE SKILLSUSA IDAHO ROOM BLOCK

Click to Book Your Room

Rate—$129.99 + tax per night

When you visit the booking link above, you will be brought to a booking page for the Best Western Plus Peppertree Nampa Civic Center Inn.

To add more rooms and more people to each room, click the “Edit” drop down. You can then choose how many people per room and how many rooms you would like to reserve. To select the type of room (1 King or 2 Queens), simply scroll down to the bottom of the page and click “Select.”

Once you have selected your room you will be brought to a payment screen. Follow the instructions on the payment screen and click “Make Reservation” at the bottom of the page when you are finished.

The included screenshot shows you where you can edit the number of people/rooms you would like to reserve. If you have any questions, feel free to contact Andrew Armstrong via phone at (208) 429-5529 or via email at andrew.armstrong@cte.idaho.gov.
Registration Information

Advisor Best Practices

Conference week will really fly by but try to take in as much as possible. This conference provides something for everyone. Best practices: Meet as many people as you can. Get contact information or connect on social media. You will meet fellow advisors who have great ideas; you will meet industry personnel who can advise you. You will meet national staff who are prepared to help you become the best SkillsUSA advisor you can be. And it all starts with a simple hello!

Set yourself and your students up for success by following these best practices:

- **Discuss SLSC with your school administrator or CTE Director:** Seeking support for you and your students to attend SLSC is a critical step. Schedule a meeting to discuss budget and travel policies. Create a planned budget of expenses to share during the meeting. Include the cost of registration, travel, meals, transportation of tools and equipment (if applicable), and try to plan for some fun extras if possible. (Your school may not provide all these items, but there may be organizations in the community willing to help offset those costs.) We encourage you to consider bringing along future chapter leaders and another advisor for professional development and overall logistics management.
  
  *Tip: Begin the requisition process as soon as possible (some advisors even do this before SLSC registration is open, as there is sometimes a quick turnaround for travel agents, registration, etc.).*

- **Connect with Student Families:** Meet with your student(s) and their families. This step is crucial! Don’t assume that your student is communicating needed information to parents/guardians. This meeting should be done after you meet with your administrator so that finances can be discussed. Make sure that your students’ family understands that it is a school event and all policies and procedures set by your school/district will still be followed. Review the travel itinerary and hotel arrangements with the family. Be candid about costs. If your student is expected to pay for food, baggage fees, mementos and clothing, give them a reasonable amount of money to plan for.

- **Preparing a Competitor for SLSC:** First and foremost, review the SkillsUSA Championships Technical Standards competition guidelines, which is located in Absorb in the Professional Membership Benefits section. We encourage you to set up regular contest practice sessions with your competitor. It is vital that your competitor studies the SkillsUSA Championships Technical Standards rules and regulations and practices each skill for the state and possibly national competition. It is great to seek assistance from business and industry to evaluate work and provide feedback. This helps your competitor feel ready to compete. Be sure and check the competition updates page frequently for any important contest updates. Testing information will be sent to your students email address on file.

**Planning and Packing — Tips for Students:**

- Take the time to think through what you will need, then pack accordingly
- Leave your itinerary with your family
- Tag your luggage inside and out
- Bring a cellphone (and charger) and download the SLSC app
- Save your advisor’s cell phone number
- Bring comfortable shoes
- If you take prescription medicine, bring a supply with you
- Double check all contest updates and requirements for tools, materials, or PPE you must bring with you
- Take the responsibility to check the SLSC page on the website for full instructions
Hotel Courtesies
SkillsUSA Idaho has a reputation for upholding high standards. This good reputation allows each of us to take pride in our organization. The following is a list of hotel courtesies and suggestions for students and advisors:

- Both the SkillsUSA Code of Conduct and the rules of the hotel must be followed.
- Conference attendees should respect and obey hotel security staff, procedures and safety regulations including fire alarms, cleared stairwells, security doors and lighting, restricted areas or posted notices.
- Conference attendees should be considerate of all other guests in the hotel, keeping voices low in common areas such as the lobby, hallways and elevators.
- Conference attendees should keep their hotel room neat and their personal belongings organized, for the comfort of everyone staying in the room. Do not leave valuables in the hotel room.
- Conference attendees may not open hotel windows or throw objects out of windows (an offense subject to police action). Do not damage or remove items from the hotel room.

Fire Safety

The probability of you being involved in a hotel fire is remote but taking precautions and knowing what to do in an emergency is important to every traveler. You won’t have time to plan during an actual emergency.

1. When you arrive in your hotel room, review the fire evacuation plan posted on the back of the door and read it carefully. If one is not posted, ask the front desk.
2. Find the two exits nearest your room. Check them to be sure they are unlocked.
3. Count the doors between your hotel room and the exits. This will allow you to find the exits even if the corridor is unlighted or becomes filled with smoke.
4. Take every alarm or unusual noise seriously. If you hear a smoke alarm, don’t hesitate — act.
5. If fire is in your room, get out of the room and close the door. Report the fire immediately to the fire department and the front desk.
6. If the fire is not in your room, leave it if you can. Touch the door to test it for heat. If it’s cool, brace your shoulder against the door and open it slowly. Be ready to close the door right away if there are flames on the other side. Stay low and crawl through the smoke to the exit; fresher air will be near the floor. Take your key so that you can return to your room if you can’t use the exits.
7. If your room door is hot, don’t open it as there could be fire on the other side.
8. Use wet towels or sheets to seal the cracks around the door. Turn off fans and air conditioners. Call the fire department even if you can see firefighters outside and give your exact location. Signal at your window and stay low to avoid smoke. Leave your window closed if you see smoke outside since smoke and fire may enter through the window. If there is smoke in the room and it is clear outside, try opening the window. Be sure to close the window immediately if more smoke enters your room.
9. Fire exits and stairwells are your best escape routes. Never use an elevator during a fire; the elevator could stop at the fire floor.

SkillsUSA Final Scores List
SkillsUSA will announce winners on Friday at the Closing and Awards Ceremony. SkillsUSA Idaho will post the full list of all competitors and their overall scores on the SkillsUSA Idaho website within one week after conclusion of SLSC. Scores can be located using contestant ID numbers.
